Meet Our Awesome Underwriter, Sandra Smithson

I've been with Treaty Oak since 2019, but have been in the insurance industry for over 20 years. Starting in personal lines on the agency side for about 7 years. I moved into the MGA side working in the commercial/transportation arena.

I was born and raised in Austin Texas and currently live in Belton/Temple area. I have 6 children, 4 of them are adults, 1 in high school and 1 in middle school. I am "Memaw" to 6 beautiful grandchildren. Of course we have 4 dogs and 2 cats too. I am also caring for

my grand dog, as my oldest son is stationed in England with the US Air Force. When I am not assisting you, I am at home enjoying our family time with my husband.

We have a great team at Treaty Oak and work hard together to give you the best service.
